White Thanksgiving ???

The first of November you could walk barefoot in the park, swim in the ocean as in our Sandy Neck photos .. the temperature was a balmy 70°. What happened? New England happened . If you don't like the weather, wait a minute. This will be remembered as the Thanksgiving snowstorm of '89. Thank heaven we live in Mattapoisett where the Highway Crew plows the snow and sands and quickly. Great job Wesley Bowman and all the rest of the crew!

MIKE'S GIFT CERTIFICATES

Christmas Gift Problems Solved!

(Also ideal for birthdays, anniversaries, or any Special Occasion)

Even that proverbial "man who has everything" will be well pleased with a gift certificate that is his invitation to the delights of Mike's cuisine ... fresh Lobsters from our own boat .. broiled Swordfish .. tender, juicy Prime Rib or Filet Mignon .. or perhaps a New York Sirloin served with Baked Stuffed Shrimp. If his tastes are Italian, he'll be happy with Veal Cacciatore or Chicken Parmesan.

There are countless other choices, all certain to give pleasure. Being a part of a Special Occasion is Mike's welcome challenge!

Fujicolor REALA

Its only rival is the human eye. To record color as the human eye sees it has always been the ideal just beyond the reach of film technology.
The addition of a fourth layer of light-sensitive emulsion means **REALA** can attain these results. Its triumph is demonstrated by how accurately it captures the most elusive color of all..... the color of skin.
It is a dream come true for the serious photographer.

New Administrative Aide

MATTAPOISETT SELECTMEN'S MEETING
NOVEMBER 21, 1989-by VIRGINIA MORGAN

Mrs. Rachel M. Jupin, the new Administrative Aide in the Selectmen's office, began her duties on Monday, November 20th. She will assist Town Clerk/Administrative Assistant Lois K. Ennis in the operation of the Selectmen's office.

Selectmen Chairman Bernard F. Talty said Mrs. Jupin was selected from a large number of applicants because of her management and computer skills. He said fifty percent of her time will be spent on management, budgets and computerizing payrolls, along with filling out forms for the state and doing data search. She was also appointed to serve as

Mrs. Jupin was formerly a secretary with AT&T in the Boston office. She said she wanted a position closer to home as the commute took too much of her day. She commented Lois is a good teacher, and she is looking forward to a new experience in learning about town government - how it works and meeting new people. A graduate of St. Anthony High School in New Bedford, she is presently attending SMU working towards a BA degree majoring in English, with a minor in business.

Mrs. Jupin and her husband, Michael, have six children, ages 9 through 17. She commented, "In my spare time I am involved in my church and president of New Bedford High Swimming Boosters Club."

In other business, Selectmen:

ANNOUNCED THE NEW TAX RATE at $10.30, a four percent increase over the present $9.90. The new rate has been certified by the State Department of Revenue, said Chairman Talty who also said he believes Mattapoisett is the only town in the area that will be sending out final bills by the middle of December (other towns are sending out estimated bills).

Selectmen Talty, William F. Hubbard and John DeCosta all commended the town offices of Assessors, Tax Collector/Treasurer and Selectmen, with special thanks to Select-

men's Administrator Ennis for the many extra hours they spent, working together to get the bills out before the end of the year.

MET WITH the Library Board of Trustees to discuss roof repairs to the library. The board reported the only bid received was much too high - $21,600 by Beauregard Construction Company of New Bedford. The board has $11,000 in available funds.

The specifications included repointing and flashing around the chimney and inside work as well as removing the slate roof and replacing the roof shingles.

Selectman Hubbard, who has construction experience, and Building Inspector Andrew J. Bobola both agreed the bid price was much too high. They agreed a new bid should be sought for the roof replacement and flashing only.

The Building Inspector said, in his opinion, the entire slate roof should be replaced and should be replaced with a certain brand of asphalt which will give the appearance of slate and will keep the historical appearance. The inside work and chimney pointing can be done at a later time, he noted.

A suggestion was made by Selectmen that slates removed from the roof could be sold as were those removed from Center School.

October 1. Police Chief James F. Moran was present to offer advice and make recommendations for the regulations.

Chairman Talty said last summer some people who received parking tickets complained that no parking areas were not marked clearly. "We are in need of a better way of marking". Chief Moran recommended "we look at Holmes Wharf where the Ice Cream Slip is located as public parking only where either sticker or non-sticker persons may park." The Chief noted there was some confusion as people couldn't see the stripes outlining parking areas at night.

It was finally agreed to declare Holmes Wharf for public parking - with or without a sticker between the hours of 8 a.m. and 4 a.m. From June 15 through Labor Day, Holmes Wharf will be closed to parking 6 p.m. to 11 p.m. Thursday evenings to accommodate the teenage dances.

Other parking regulations include: parking of vehicles and trailers on the town wharves and wharf areas shall be by privilege permit; no boats shall be parked on the paved areas of the wharves or parking lot; all persons using parking area shall park within the yellow lines or be

WERE INFORMED by Town Counsel Donald J. Fleming that in his opinion the Board of Health has a statutory duty to notify Mr. Conrad Roy that he may not conduct any further trade or business on his property at 56 Ocean Drive until such time as he has applied for an assignment from the Health Board. His advice was based on a report from Olde Boston Environmental Association.

Previously, the Board of Health, the Building Inspector and attorneys for the abutters and Mr. Roy viewed the operation at 56 Ocean Drive and found several violations. The state Department of Environmental Protection will determine what further testing is needed and what clean-up plans are recommended and acceptable to the state.

Axel Magee, the central character in this wild comedy, could very well be the ultimate underdog. Regardless of how hard he may try - or how noble his motives - absolutely nothing seems to work out for this hapless young man.

In a tiny American Embassy deep behind the Iron Curtain, Axel tries to live up to the expectations of his father, the imposing, highly successful Ambassador Magee. When the Ambassador returns to the U.S. to pursue an opportunity for political advancement, Axel is left in charge of this "tiny little outpost" where "there shouldn't be much trouble"....

Meanwhile, a family of tourists from New Jersey has managed to end up in serious trouble a few blocks from the Embassy. Walter Hollander (a caterer by trade) has unwittingly taken snapshots of a sensitive military area. Walter, along with his wife Marion and daughter Susan, makes his way to the Embassy to seek refuge. Mr. Krojack, the sinister, evil-tempered head of the secret police, sets up barbed wire and machine guns outside.

And so unfolds this hilarious story of inept escape attempts, bungled bomb threats, and romance under fire. "Don't Drink the Water" is loaded with slapstick humor, political and social satire, and the particular brand of comic hysteria typical of Woody Allen's earlier writings.

The cast includes James Bardsley as Axel Magee, Daniel Sylvia as Walter Hol-

Many of our seniors are presently taking advantage of this great program.

From Old Colony

ELECTS STUDENT GOVERNMENT DAY REP

Dennis Tripp, an Old Colony Regional Vocational Technical High School junior, has been elected to serve as the school's participant in the Forty-Third Annual Student Government Day Program.

Student Government Day is a state-mandated program designed to encourage students to learn directly, through participation, about the structure of state government, to encourage active citizen participation and to assist in their developing an understanding about the rights and responsibilities that we share in a democracy.

As Old Colony's representative, Dennis will be participating in a series of legislative training workshops which culminate in the Student Government Day activities in Boston scheduled for April 6, 1990.

Dennis, a Mattapoisett resident, is a student in the Carpentry Department and is enrolled in the college preparatory academic program. He is currently enrolled in Southeastern Massachusetts University's Project Spotlight program.

As allowed under the Student Government Day program the students also elected Lorrie Medeiros of Acushnet as an alternate to the program. Lorrie, a junior in the Offset Printing Department, will be allowed to participate in all of the legislative training workshops.

AFS Wins Recognition

FROM UNITED NATIONS

The United Nations Division of Youth has announced that Secretary General Javier Perez de Cuellar will award a special "Testimonial to the Global Contributions of AFS Intercultural Programs in the Field of Youth". AFS is the non-profit student and teacher exchange organization which has been operating its programs in the Old Rochester Regional District since 1962. This is the first time in U.N. history that the Secretary General himself has awarded a commendation to a student exchange organization.

"AFS is more of a giant family than just an organization, so the real credit goes to the hundreds of families like those in Marion, Mattapoisett, and Rochester who have made student exchange possible", said Linda Hall, Executive Director of AFS-USA. According to the United Nations, AFS received the testimonial for its outstanding commitment to global youth issues and its demonstrated leadership in responsibly executing student exchanges. Ms. Hall said that there have been a number of organizations that bring students to this country, but fail to provide the schools, families, and students with the support they need to make the exchange work. "This award recognizes that AFS takes care of

This year the Old Rochester Regional AFS Chapter is hosting Dunia Lopez and Carlos Santos. Dunia is from Ecuador and Carlos is from Honduras. Dunia is living with the Amoruso family in Mattapoisett and Carlos is living with the Pond family in Rochester. On Friday, November 17th, the classes dressed up as their favorite book characters and paraded in the school. Prior to the parade they created bookmarks and posters, read and shared books, and designed group murals.

holiday season is a time when we remember times we have gathered in homes of families and friends. Our home is our castle, our refuge from the storm. When we are not feeling well most of us ask to go home. This week the nation pays tribute to the thousands of nurses, therapists, homemakers - home health aides, physicians and others who dedicated their lives to enabling people to stay home. Proclaimed by an Act of Congress and by President George Bush, National Home Care week provides an opportunity to focus attention on the health care professionals who still make house calls.

The Future of Our Birds

Can the burning of rain forests in South America affect the lives of songbirds that nest in New England? Are fewer and fewer birds returning to our backyards each spring because of destruction of their tropical wintering grounds? Or is it loss of habitat here in North America that has led to declining numbers of some species? What are the prospects for strong legislative action on behalf of wildlife and the environment?

Manomet Bird Observatory (MBO) is offering the public a chance to get answers to these controversial questions directly from the scientists who are doing the research, and from Congressman Gerry E. Studds. On Sunday, December 10th, from 2:00 to 4:00 p.m. MBO will host a program entitled "The

Future of Our Birds" in the Linn Theater at Plimoth Plantation. The program will present important findings from MBO's international symposium on the ecology and conservation of migrant birds, held earlier in the weekend and attended by more than 250 scientists. MBO, a center for long-term environmental research and education, stimulates conservation action through scientific understanding of wildlife and natural systems. Founded in 1969, MBO is an independent, non-profit organization active throughout the Americas. For more information and advance reservations call MBO at 224-6521.

Speakers will include Chandler S. Robbins of the U.S. Fish and Wildlife Service, author of one of the most popular bird field guides (Golden Guide/Birds of North America), who will discuss evidence for widespread declining in numbers of some common migrant bird species, and Dr. Russell Greenberg of the Smithsonian Institution, who will explain how his research in the Yucatan Peninsula of Mexico helps biologists understand the importance of tropical forests as wintering sites for North American birds. In addition to another scientific speaker, Congressman Gerry Studds (Tenth District), chairman of the House Sub-Committee on Fisheries and Wildlife Conservation and the Environment, is expected to speak on the prospects for new governmental action on conservation issues. There will be holiday refreshments in the Accomack Room at Plimoth Plantation following the program.

Plimoth Plantation's Visitor Center is open free of charge to the public on December 10th (11:00 a.m. to 4:00 p.m.), and will offer a variety of special holiday

MS Holiday Auction

TO BENEFIT MULTIPLE SCLEROSIS

Need a weekend away? This is your chance! This is but one of many fun and unique items to be auctioned at the Multiple Sclerosis Second Annual Holiday Auction to be held on December 7th at the Bay Pointe Country Club in Onset.

The Holiday Auction, which benefits the research and service commitments of the Southeastern Massachusetts Branch of the National Multiple Sclerosis Society, will begin at 7 p.m. Once again, Russell Johnson of Sandwich will entertain the audience as he auctions away many fun and exciting items donated by local merchants. The event, which requires a $25. donation, will feature cocktails and hors d'oeuvres. Items to be featured include two round trip tickets to New York City donated by Trump Shuttle, weekend get-aways to the mountains donated by The Lodge at Jackson Village and the Mountain Green Resort ski and golf resort, and a cocktail table and end tables donated by Jordan's Furniture.

Multiple Sclerosis is a disease of the central nervous system which affects young adults between the ages of 20 and 40. The symptoms of MS vary among individuals, although blurred vision, numbness, and fatigue are common factors. In Massachusetts alone, over 6,000 people are affected by the disease with over 1,000 cases being reported right here in southeastern Massachusetts. There is no known cause or cure for Multiple Sclerosis at this time.

Come join the fun and help in our fight against MS. It's a fun way to make a difference with an evening of great food, music and company. For more information please call Lori Besegai at 291-2169.

four years of performances, the orchestra has helped establish a tradition for South Shore audiences with its annual Holiday Pops concert. The concert, a "best seller" for the orchestra, draws capacity crowds each year. This year the tradition continues on Saturday, December 2nd, at 8 p.m., and Sunday, December 3rd, at 2 p.m. with Holiday Pops! 1989. Both performances are at Plymouth's Memorial Hall.

Holiday Pops! 1989 is made possible through generous concert co-sponsorship by six area banks. Plymouth Five Cents Savings Bank, Mayflower Cooperative Bank, Plymouth Savings Bank, Plymouth Federal Savings Bank, East Bridgewater Savings Bank and Shawmut Bank are supporting the popular concert with corporate underwriting.

Returning to perform with the Philharmonic at Holiday Pops! for the third consecutive year are the talented young dancers from Children's Repertory Ballet Company of Hingham. The Company is the performing segment of Children's Ballet Workshop; both are directed by Nan Cogswell Keating. Sixty children will dance to selections from "The Nutcracker" and, new to this year's program, excerpts from "Hansel and Gretel".

Rounding out the Holiday Pops! program are classical, light classical and pops favorites. The concert opens with Wagner's "Entrance of the Guests" from "Tannhauser"

and continues with J.S. Bach's "Jesu, Joy of Man's Desiring"; seasonal favorites such as "Let it Snow! Let it Snow! Let it Snow!", Irving Berlin's "White Christmas", and Leroy Anderson's "A Christmas Festival". It is whispered that Santa Claus may attend the performances also.

Especially for Holiday Pops! Memorial Hall will be transformed into a beautiful Christmas scene. "A Child's Fantasy", a twelve-foot Christmas tree decorated with Teddy Bears, porcelain dolls and red velvet bows, has been generously loaned by Plymouth National Wax Museum. Framed by garlands and tiny twinkling lights, the tree creates a beautiful visual backdrop for the performers.

Tickets for the Holiday Pops! are available at The Studio (Duxbury), Notes & Quotes (Kingston), Hub Music Shops (Pembroke and North Plymouth), The Snow Goose Gift & Christmas Shops (Plymouth and Sandwich) or by calling the symphony office during business hours at 746-8008.

Holiday Pops! is funded in part by the Massachusetts Council on the Arts and Humanities, a state agency. The performances are also supported, in part, by the Massachusetts Arts Lottery, as administered by the Carver, Duxbury, Hanover, Hanson, Hingham, Kingston, Marshfield, Norwell and Pembroke Arts Lottery Councils.

Since 1981 St. Luke's Hospice has been bringing health care and volunteer support to patients where they want it most -- at home. Hospice is a special home service for patients in the terminal stages of illness. To date, 103 St. Luke's Hospice volunteers have dedicated over 13,000 hours to meet the needs of over 500 terminally ill patients and their families. Volunteers are a unique component of the program who help families in many ways. Most often volunteers are called upon to provide personal care assistance and to teach patients how best to maintain independence. Each volunteer works as part of a home care team which includes visiting nurses, social workers, clergy, home health aides, and other health care professionals. Through their dedication and training volunteers can reach out to patients in a special and personal way to help them cope with the physical, psychological and emotional difficulties associated with death.

Newbury College Sat. Classes

Saturday classes will be offered at the New Bedford Campus of Newbury College starting January 20, 1990, school officials announce. The Saturday sessions will supplement the regular week night classes which begin on January 22nd. The campus is located in the Blue Room at New Bedford High School, 230 Hathaway Boulevard.

The Saturday program has been added for the benefit of students who are unable to attend evening classes and will include courses leading to associate degrees in Accounting, Business Management, Hotel Restaurant Management, Interior Design, Marketing, Medical Assisting, and Travel and Tourism. Hours are from 8:30 a.m. until 5:30 p.m., and classes are scheduled so that students may fit three courses into Newbury's standard 14-week trimester. The Saturday schedule will also provide students who live out of the immediate area with a convenient way of earning college credits.

Information about the program, as well as about deferred tuition and financial aid, may be had by calling 996-3138 or visiting the Administration Office at 995 Rockdale Avenue, New Bedford. Career counseling and placement testing are also available. Counselors are available for both day and evening appointments.

"If you know your 1989 tax liability and find that you have been underpaying taxes, you should increase your tax withholding," said Boston District Director Gerard R. Esposito.

Bach was a middle son of the better known composer J.S. Bach, whose "Magnificat" is more frequently heard. The performance will include a chamber orchestra, directed by Craig Lilly, with Helen M. Whipple playing the organ.

Guest soloists to be heard include the three now familiar voices of lyric soprano Joanne Mouradjian, tenor Martin Kelly, and Donald Wilkinson singing bass. Ruth Gloria Dexter, the alto soloist, will make her first appearance with the Choral Society in this concert.

A selection of unusual Christmas carols from "Carols for Choirs", edited by David Willcocks, will complete the evening's program.

There is an admission charge of $5.00. Tickets for the concert may be purchased in advance from any member of the chorus.

This concert is funded in part by a grant from Massachusetts Arts Lottery as administered by New Bedford Arts Lottery Council.

eye talk

Q. My daughter-in-law says my 7-year-old grandson needs bifocals. Aren't bifocals strictly for us older folks?

A. Not necessarily. Most young people don't need bifocals but optometrists sometimes prescribe them for various reasons.

For example, some nearsighted children need strong glasses to see things far away clearly but the glasses make reading vision more difficult. Bifocals give them the right prescription for both distance and near vision in one pair of glasses.

Some children have bifocals with a prescription for reading on the bottom and a clear lens on top. Optometrists may prescribe these to make it easier for the eyes to focus on close work. This may help in controlling or preventing nearsightedness. Sometimes bifocals are used in treating crossed-eyes.

Wearing bifocals is not necessarily a sign of early aging.

H.M.S. Pinafore

COMES TO ZEITERION DECEMBER 8

On the good British ship PInafore, a young sailor's thoughts turn toward love and his captain's daughter.

But the social-climbing captain insists his daughter marry the pompous First Lord of the Admiralty, whom she despises.

Meanwhile, the captain himself has fallen in love with the bewitching, yet lowly-born Little Buttercup, despite his social concerns.

Before true love falls captive to the social restraints of caste and proper British common sense, a mysterious turn of events sets everything aright in Gilbert & Sullivan's operetta, the hilarious spoof on British manners and morals, H.M.S. Pinafore, at New Bedford's Zeiterion Theatre December 8th at 8 p.m. This performance by Opera Northeast is the first in the 1989-1990 Merrill Lynch International Series at the theatre.

The romantic misadventures of Captain Corcoran and Little Buttercup, his daughter Josephine and her sailor suitor Ralph take place on board the docked ship Pinafore, whose sprightly crew sings at the drop of a mop. The only sour notes among the sailors are the grumblings of the misanthropic Dick Deadeye, who can't bear to see anyone else happy.

Based in New York City, Opera Northeast and its affiliated company, The National Savoyards, draw upon talent found there. Louis Dall'Ava, who portrays Lord Admiral Sir Joseph Porter, has performed with the New York Gilbert & Sullivan Players; Estelle Mays (Josephine) toured Europe in a recent production of Carmen Jones, and Lawrence Asher (Dick Deadeye) has been on Broadway in Most Happy Fella and off-Broadway in The Chosen.

Opera Northeast, founded in 1972, has been called "unusually successful" by The New York Times and "very special" by The New York Post. Artistic Director Donald Westwood travels the country with these professional productions of opera, operetta and classical American musicals.

The H.M.S. Pinafore is a fully mounted production with scenic effects that recreate the quarter deck of a ship, colorful crisp costumes and a 23-member orchestra.

A delightful story, memorable characters, plus hilarious patter songs, like "I Am the Monarch of the Sea", have made H.M.S. Pinafore an audience favorite for more than a century.

Tickets for H.M.S. Pinafore on December 8th at 8 p.m. are $24., $22. and $20.; senior/students $2. discount. Group rates are also available. For tickets call the Zeiterion box office at 994-2900. Single tickets available by calling Ticketmaster at 617-931-2000 and at all Ticketmaster locations.

The Zeiterion is located at 684 Purchase Street in historic, downtown New Bedford.

Festival of Homes, New Bedford

Nine of historic New Bedford's finest residences will be open for the annual Christmas in Old New Bedford: Festival of Homes on Saturday, December 16th, from three until seven o'clock.

The highlight of this year's Festival is "A Birthday tea for Jane Austen". Set in the spectacular 1833 William Rodman Mansion, the 19th century's greatest novelist will be remembered with a traditional English tea decorated in the manner of the Napoleonic period. Readings from Miss Austen's works will be accompanied by showings of Pride and Prejudice.

The fourth annual Festival of Homes is sponsored as a benefit for The New Bedford Glass Museum.

Among the residences opening for the 1989 Festival are the 1855 Queen Anne mansion once owned by Herman Melville's family, and the author's residence while gathering material for Moby Dick.

Also included are a forty-room Queen Anne mansion dating from 1897, an 1869 Gothic cottage and its restored barn, a shingle-style residence designed in 1899 by architect Nathaniel Smith, and Christmas with Scottish tradition in a wood-paneled Georgian revival mansion.

Festival tickets are $17.50, including the Birthday Tea and tour of homes. Separate tickets for the Tea and tour may be purchased at $7.50 and $10. respectively. Spe-
